Description

OVERVIEW

Available in 5' and 6' wide options, these single axle enclosed trailers are perfect for your smaller tasks. Constructed with a tube frame and tongue, 16" on-center tube wall studs, and tube roof rows, you can be confident that even our smallest trailers are up to the task. These units come fully loaded with features like 3/8" plywood wall liner, screwless exterior, 24" Stoneguard with top trim, and a bright front nose cap and rear hoop. You shouldn't have to lower expectations for a smaller trailer.
