Description

OVERVIEW

The Power Tilt Deckover trailer is designed with a low profile and full tilt application. It features power up, power down hydraulics which allow for ease in loading and unloading heavy equipment. Built in toolbox houses the pump, 2-way corded remote, battery, and built in battery charger along with additional storage. Two models with slipper spring suspension are offered in 15,000 lb or 17,500 lb GVWR.
