Description

The Big Tex 14FT is a top tier choice for anyone needing a heavy duty full tilt equipment trailer with fast, hassle free loading. Built with a 14,000 lb GVWR, a reinforced channel frame design, and a smooth operating full tilt deck, this trailer is engineered for hauling skid steers, tractors, compact loaders, and a wide range of equipment. The tilt bed system eliminates traditional ramps, giving you quicker loading, a cleaner deck, and fewer components to maintain â?? a major advantage for contractors and equipment operators who load multiple times a day.

This model includes two 7,000 lb brake axles, delivering strong stopping power and stability under heavy loads. The durable channel tongue, treated wood deck, and heavy duty running gear are built to withstand demanding job sites and rough terrain. With its wide deck and tilt bed configuration, the 14FT offers exceptional versatility for buyers who need a reliable, easy loading 14,000 lb equipment trailer. If youâ??re searching for a Big Tex tilt trailer, a full tilt equipment hauler, or a tandem axle heavy duty tilt trailer in Alabama, the 14FT is built to perform.
