<https://gracetrailersales.com/unit/2025-all-seasons-feeders-corn-protein-pro-600-feeder-772830>

Price: \$950.00

Description

The all-new Corn Pro by ASF comes with a patent pending dual-purpose dispersant housing that allows you to time feed in two ways. Using the Eliminator spinner and THE-TIMER, the automatic feeder disperses either corn or protein at the programmed times. By opening or closing a baffle system on the control unit, the feeder can be set up to either broadcast corn or trough feed protein. Available in 600lb & 1,000lb capacity.

Automatic corn feeder includes::

- 12v Solar Panel
- 12v battery
- THE TIMER
- Controls located under the lid
- Patent Pending EZ lock lid design by ASF
- Approximately 5ft tall
- Throws corn 20' from the feeder in all directions
- Skids for easy relocation
- Low profile design to allow easy filling

600lb Corn Pro Dimensions: 52" x 42" x 60"

All Seasons Feeders Corn Pro automatic feeder is handmade in Texas.
