Price: \$3,000.00

Description

Specifications

Width: 84"

Height: 31"

Depth: 36"

Weight: 1062 lbs

Grapple Opening: 37"

Tine Spacing: 6"

The Jenkins Iron & Steel Debris Grapple is constructed using ½" material with 6" spacing between the tines both a 37" opening which allows dirt and small debris to fall through while holding onto larger loads. The ½" serrated cutting edge provides additional strength and prevents the tines from bending. The Debris Grapple makes it easy to grab and move material.

The Debris Grapple also features bolt on removable side plates, and like all Jenkins Iron & Steel grapples they come standard with hoses, cylinders, flat face couplers, and cylinder covers; everything you need to hook up and go!
