Description

The Midsota NFBHB32-GN-259 is a powerhouse gooseneck deckover trailer built for professionals who demand strength, efficiency, and reliability. With a massive 25,900 lb GVWR, 10' hydraulic beavertail, and reinforced steel frame, it's engineered to handle heavy equipment, construction loads, and commercial cargo with ease. The square torque tube adds stability, while dual hydraulic jacks and a power tail make loading effortless. Whether you're on the job site or hauling cross-country, this trailer is built to perform.

Model: NFBHB32-GN-259
