Extreme conditions demand cutting-edge innovations. The long-time industry favorite powder-coated steel DXT is the reliability you need to last. The fully featured Poly BOSS DXT is the ultimate tool to fight all things snow and ice. Its patented dual-trip design enhances plow protection when striking hidden obstacles in any plow position. Outfitted with a long-lasting, durable base angle to provide extended wear resistance, built-in curb guards, and a patented snow catcher is your perfect decision to KEEP ‘EM OPEN when mother nature strikes.

BOSS Super-Duty straight-blade plows RESTORE ORDER with unsurpassed reliability and strength. BOSS SmartShield baked-on powdercoat paint finishes with zinc primer resist corrosion. Heavy-duty push frames and push frame attachment bars and optimized blade curl are standard on every BOSS straight-blade. For added strength to take on nature’s worst, BOSS Super-Duty straight-blades boast reinforced moldboards for increased blade rigidity and increased durability.

When you are out in the middle of a storm, you demand toughness to break through the darkness and withstand the cold. The SL3 headlights won't let you down. BOSS is always there to back you up!

Ice Shield Technology
Heats the SL3 Lens using a thermally conductive grid to prevent ice build-up.

Precise Light Pattern

Features a lower profile housing and concentrated white light output to improve operator visibility and an ultra-wide color temperature that reduces driver fatigue and eye strain during extended plowing sessions.

Extended Life Expectancy
Boasts up to 8-10 years of bulb life and pumps out nearly double the lighting compared to standard halogen systems.

Ultra-Efficient
LED lighting systems consume half the amperage of conventional halogen systems.

BOSS Signature
SL3 plow lights deliver a premium BOSS look and are 40% smaller than Smartlight2 lights while offering greater power.

Standard for New Plow Purchases
Easily upgrade your existing Smartlight1 or Smartlight2
