Description

One of the keys to building the best dump trailer on the market means having a low-profile frame. Lamar’s Low Pro Dump Trailer is a 14k dump trailer, (available as a 16k dump trailers, and 21k dump trailer) with a 28” deck height. This makes unloading and loading and equipment easy.

?
This model is ideal for home owners, commercial use, construction, landscaping, trash removal and a host of other applications.

Whether you are looking for a low side dump trailer or a high side dump trailer, the Lamar Low Pro Dump trailer offers both, with 24” sides or 48” sides.

With a payload of either 9,000lbs, 11,000lbs or 15,000lbs depending on axle size, the low pro dump trailer can handle all types of material and equipment.

Our heavy duty dump trailer comes fully equipped, and standard with all the best options. 10k jacks, a 43° dumping angle, hydraulic scissor lift, massive toolbox, d-rings, spreader gate and barn door combo, LED bullet lights, fully sealed weather resistant wiring, black wheels, 12” spaced crossmembers, rear slide in ramps and a 13lb I-beam frame.

Don’t miss out on our gooseneck dump trailer option for a fifth wheel hookup, available with 6” raised neck for lifted trucks.
