Price: \$10,175.00

Description

The Formula F-TVC10220-070 is a 2025 Traverse series enclosed cargo trailer built for reliable and efficient transport. Measuring 8.5 feet wide by 20 feet long, it features a 7,000 lb GVWR supported by tandem 3,500 lb drop spring axles with brakes, offering a payload capacity of approximately 3,800 lbs. Its construction includes a 6" steel tongue and main frame, a one-piece seamless aluminum roof, and screwless .080" composite exterior panels with a 24" wedge-front V-nose for improved aerodynamics. The trailer is equipped with a spring-assisted rear ramp door with a 12" extension and camlock latch, a 36" RV-style side entry door with recessed step, and dual sidewall airflow vents for ventilation. Inside, it boasts 3/4" engineered wood flooring, 3/8" wood wall panels, dual LED dome lights, and integrated cargo tie-downs. Additional features include 15" radial tires on powder-coated wheels, electric brakes on all hubs, a 2-5/16" A-frame coupler, and a polyurea coating on exposed steel for added durability.
