2027 Rock Solid Cargo 8.5x24 Tandem Axle Car / Racing Trailer – Black

The 2027 Rock Solid Cargo 8.5x24 Tandem Axle Car / Racing Trailer is built for racers, collectors, and automotive enthusiasts who need dependable enclosed vehicle transportation with plenty of interior room. Finished in a sleek Black exterior, this trailer provides a professional appearance while protecting race cars, classic cars, show cars, motorcycles, UTVs, and valuable equipment from weather and road debris.

With an 8.5-foot-wide body, 24-foot floor length, and 7'6" interior height, this trailer offers excellent space for a vehicle along with tools, spare tires, racing equipment, fuel containers, and other track-day essentials. The taller interior height also provides added clearance for larger vehicles and equipment.

A 10,000 lb GVWR and 6,400 lb payload capacity give this trailer the strength needed for serious vehicle hauling. Tandem 5,200 lb axles provide dependable load capacity and improved towing stability, making this trailer a strong choice for both local race weekends and longer highway trips. Built with a heavy-duty steel frame and aluminum skin construction, this Rock Solid Cargo car hauler is designed to provide long-lasting durability. The V-front nose creates additional interior room and gives the trailer a streamlined profile, while the wide 8.5-foot body provides the space needed for loading full-size vehicles and motorsports equipment.

The versatile 8.5x24 layout also makes this trailer an excellent platform for customization. Available upgrades can include blackout trim, escape doors, E-Track, upgraded tie-down points, cabinets, electrical packages, additional LED lighting, rear spoilers, loading lights, insulation, and other race-trailer features.

Whether you're searching for an 8.5x24 race trailer, enclosed car hauler, 10K car trailer, Rock Solid Cargo race trailer, black enclosed car trailer, or motorsports trailer, this 2027 Rock Solid Cargo 8.5x24 TA delivers the space, payload capacity, and durability needed for serious vehicle transportation.
