Quake Enclosed Cargo Trailer
Your Affordable Hauling Solution. Are you searching for an economical yet reliable enclosed cargo trailer? Look no further – Quake is here to meet your hauling needs without breaking the bank. Designed to provide practicality and efficiency, our Quake Economy Enclosed Cargo Trailer is the perfect companion for various hauling tasks. Whether you're moving, embarking on outdoor adventures, or transporting equipment, the Quake has got you covered.
Why Choose the Quake Economy Enclosed Cargo Trailer? Tailored Sizes: Choose from a range of sizes to match your specific hauling requirements. Whether you're moving furniture or transporting equipment, you'll find the perfect dimensions without paying for more space than you need.
Available Models
Single Idler Axle: 5x8' - 5x10', 6x10' - 6x14' Single Brake Axle: 6x10' - 6x14' and 7x12' - 7x14' Tandem Brake Axle: 6x12', 7x12' - 7x16', 8.5x16 - 8.5x24'
Available GVWRs
Single Axle Idler GVWR: 2990# Single Axle Brake GVWR: 3500#, 5000# Tandem Axle Brake GVWR: 7000#, 9900#
Enhanced Convenience: The Quake comes equipped with an array of standard features designed to streamline your hauling experience, including:
Flat Top, V-Nose Profile: This aerodynamic design reduces wind resistance and enhances stability during towing. Full Height Crossmembers: Sturdy crossmembers provide structural integrity, ensuring your cargo is well-supported and secure during transit. Drop Axles: Lower trailer deck height for easier loading and unloading. 3/4" High-Performance Wood Floors: Durable wood floors built to withstand heavy loads over time. Automotive Undercoating: Added protection against rust and corrosion, increasing trailer longevity. Choice of Rear Ramp Door or Rear Swing Doors: Choose the door style that suits your loading preferences. Aluminum Frame Side Entry Door with Flush Lock (optional on 5-wide models): Easy access with a secure flush lock for peace of mind. Side Wall Airflow Vents: Strategically placed vents for proper cargo ventilation. Color Matching Exterior Screws: Attention to detail extends to color-matched exterior screws that complement the trailer's appearance. .030 Aluminum Exterior Skin: Many competitors in the entry-level space offer thinner, .024 exterior metal. Thicker, more durable .030 aluminum is standard on all Quake models.
