Description

The Triple Crown 7x20TA 10K Equipment Trailer is engineered for reliability, strength, and ease of use — making it the perfect choice for contractors, landscapers, farmers, and equipment owners. With a rugged build and smart design, this trailer is ready to tackle your toughest hauling jobs.

Key Features

Spacious Deck: 7 feet wide by 20 feet long – ideal for hauling skid steers, tractors, compact equipment, and building materials.

High Capacity: 10,000 lb GVWR (gross vehicle weight rating) ensures dependable performance for heavy-duty loads.

Tandem Axles: Dual 5,200 lb axles with electric brakes provide strength and safe stopping power.

Durable Decking: Pressure-treated wood deck built to handle years of tough use.

Easy Loading: Rear steel loading ramps let you drive equipment on and off with confidence.

Heavy-Duty Frame: Sturdy channel-iron frame construction for maximum strength and durability.

Reliable Towing: 2-5/16” coupler, safety chains, and a top-wind jack for secure and simple hitching.

Road-Ready: Equipped with radial tires on steel wheels for smoother hauling and longer life.

Why Choose Triple Crown?

Triple Crown trailers are known for their solid construction and long-lasting reliability. The 7x20TA 10K model is built with the working professional in mind — whether you’re hauling machinery to a jobsite or moving equipment around the farm.
