Description

Westbrook Stirling 60-120-ROL Utility Trailer – Rugged Galvanized Design for Everyday Hauling
The Westbrook Stirling 60-120-ROL Utility Trailer is a premium galvanized trailer built for strength, durability, and low maintenance. Designed to handle tough jobs and withstand the elements, this trailer is ideal for homeowners, landscapers, farmers, and outdoor enthusiasts who need reliable hauling year-round. With its rust-resistant hot-dipped galvanized finish, you'll enjoy long-lasting performance and peace of mind.

Key Features

Deck Size: 60" wide x 120" long – a versatile 5' x 10' footprint for ATVs, mowers, and supplies.

Axle & Capacity: Single 3,500 lb axle for a 2,990 lb GVWR, perfect for general utility hauling.

Frame & Finish: Hot-dipped galvanized steel frame for maximum corrosion protection.

Decking: Pressure-treated wood deck built to handle heavy loads and resist wear.

Ramp Gate: Rear ramp gate doubles as a loading ramp for equipment and cargo.

Tires & Wheels: Radial tires mounted on galvanized wheels for dependable, rust-free performance.

Hitching: 2" coupler, safety chains, and top-wind jack for secure and easy towing.

Low Maintenance: Galvanized finish means no paint touch-ups and no rust worries.

Why Choose Westbrook?

Westbrook trailers are known for their galvanized durability — making them a perfect choice for Ohio weather where salt, snow, and moisture can eat away at painted steel trailers. The Stirling 60-120-ROL offers all the utility of a standard 5x10 but with the added benefit of rust-free performance, ensuring it looks good and works hard for years to come.

Perfect For

Lawn care & landscaping businesses

Hauling ATVs, UTVs, and small recreational vehicles

Farm and ranch chores

Home improvement projects & materials

Year-round use in tough climates
