Description

The CT-8455 is the only "Hypercar" car trailer that is 84" between the fenders. This trailer is wide and light (as always all bolted together) but still shorter than most other standard trailers.

Overall length 20' 6"

Bed length 14' 2"

Fender height 5 1/4"

Center opening 37"

Standard 11' long ramps

Front Shield Available as an option- Ask for this to be included and pricing will be quoted.

Standard with open center that can be used as a "free lift"

(*There is a full floor option- Call 704-546-2231 for pricing to order.)

Maintenance free, doors open over fender.

2 front adjustable wheel stops

LED lights

Spare Tire

As always make certain your car will fit on this trailer.

Options can be shipped and bolted on, strong resale value.
