Description

2026 Logan Coach 26' Stockman Combo – Dual Tack Doors

When you're serious about hauling, you need a trailer that can take it. The 2026 Logan Coach 26' Stockman Combo is purpose-built for real work but designed to look great doing it. With 7'3" of width, 7' of height, and Logan's legendary construction, this trailer is ready for whatever you throw at it.

Top Features You'll Appreciate:

- **Dual Tack Doors** with dual swing-out saddle racks for faster loading and more organized storage.
- Plenty of hooks, dual blanket racks, and easy-access storage to keep tack and gear neat.
- **Bright Exterior & Interior Lighting** — no more fumbling in the dark.
- **Upgraded Aluminum Rims with 14-Ply Tires** — built to handle serious mileage.
- **Slider-Slam Rear Door + Spare Tire** for everyday durability and peace of mind.
- **Drain-Through Aluminum Floor** — a proven Logan feature for strength, hygiene, and easy clean-up.

From the ranch to the showgrounds, this trailer is a dependable partner that makes hauling safer, easier, and more efficient — and it looks sharp while doing it.
