Description

Engineered for effortless loading and maximum hauling efficiency, the STPAT8222-BP-140 is a 7' x 22' aluminum power tilt trailer built to handle serious work with style. Its full-length hydraulic tilt bed eliminates the need for ramps, making it ideal for low-clearance vehicles and equipment. With a 14,000 lb GVWR, 82" deck width, and lightweight aluminum frame, it offers a perfect balance of strength and maneuverability.

Features like removable fenders, an ATP toolbox, and an adjustable coupler add convenience and customization, while the rust-resistant build ensures long-term durability. Whether you're hauling cars, machinery, or gear for the next big job, this trailer delivers smooth operation and dependable performance every time.
