Elevate and simplify your car transport experience with the feature-rich, thoughtfully designed trailer in standard or 10K.

All Aluminum Construction

Reduce your vehicle's fuel consumption and wear-and-tear with the weight savings of this aluminum constructed trailer.

6' Stowaway Ramps

Conveniently tucked under the deck and easily accessible through the secure compartment at the rear of your trailer.

Rub Rail With Stake Pockets

Rub rails with stake pockets protect the sides of your trailer's deck and allow versatile strap placement to keep your cargo secure.

Removable Aluminum Fender

Low car? No problem! Avoid damage to your driver-side door when getting in and out of your vehicle by removing the fender.

Recessed HD D-Rings (4)

Travel with peace of mind, knowing that your cargo is firmly secured, with a safe operating load of up to 5,000 lbs. per D-ring.

2' Beaver Tail - 3" Drop

The 2' beaver tail makes loading low-clearance cargo safer and easier, clearing the trailer deck and reducing the risk of dragging.

2" Heat Treated Decking

This decking offers a lightweight, long-lasting, water-resistant and chemical-free alternative to pressure treated decking.

Why Carr's?

We know you have choices when shopping for a trailer. Here are just a few reasons why Carr's Trailers and Supplies is the best in the business:

- **Unbeatable Selection** - with one of the largest trailer inventories in the Northeast, Carr's is sure to have what you need in stock. We have cargo trailers, utility trailers, dump trailers, enclosed trailers, snowmobile trailers, ATV trailers, car haulers, tow dollies and tent campers by the 100's
- **Honest Pricing** - the price you see on the internet is the price you get in the store. With our buying power, we're able to offer unmatched pricing on name brands such as Wells Cargo, Legend, Sure-Trac, Holmes, Mission and many others
- **Expert Advice** - With over 20 years in the trailer business our team of experts will help you find the perfect trailer for your needs. We view ourselves as "consultants" rather than "salespeople"
- **One Stop Shop** - We are a registered PennDOT agent for PA. That means we can do all the necessary paperwork for your trailer right at our counter. Many other places can't do this so they send you somewhere else to get the paperwork done before you can even leave with your trailer! Not at Carr's. You'll be a fully legal towing machine when you leave our lot. (This process is quick too. Many times you can be in and out of the store in 30 minutes or less)
- **Post-Sale Support** - So you bought a trailer. now what? At most places, you'd be on your own once the sales transaction is complete. Not at Carr's! Our knowledgeable technicians will make sure that your vehicle is properly set up for safe towing before you leave the lot. Got a towing question? They'll be glad to answer any you may have
- **Customizations** - Need to haul a motorcycle in your trailer? Need e-track on the walls to secure your cargo? Need an extra dome light...or three? No problem! Our service department is able to add many options and perform many customizations. Most of them while you wait
- **Custom Trailers** - Need something totally unique? Carr's can work with you to have any trailer custom built. With our buying power, we can often get a custom trailer faster and for less money than other dealers
- **Parts and Accessories** - We have a large showroom with 1000's of parts and accessories in stock. We have a large assortment of repair parts for small single axle trailers all the way up to large tri-axles.
