Description

******Includes Spare tire carrier and 110v Battery Charger/Maintainer Options***

Ground Level Loading with the Best Built Drop-Deck Enclosed Trailer On The Market!

The E-16 XL is the largest enclosed trailer in the Air-tow line and comes preloaded with many features. It has 15'9" of usable deck space and can carry up to 10,000 lbs. The front-end is extended beyond the regular deck that allows for a 15" shelf and an extra 36 cubic ft. to work with. The aerodynamic design of the front-end not only adds space, but reduces air resistance and increases gas mileage. The back-end is also extended 16" to round out the total storage space at 838 cubic ft. Other standard features that set the E-16 XL apart from the regular E-16 include: a self-locking rollup door, 2 LED interior lights and a 3/8" plywood interior lining. This trailer is also very customizable with options for E-tracks, X-tracks, nose cone and many more accessories. Compare enclosed models below.

Standard Features: -

- 8 Heavy-Duty D-Rings
- Adjustable Chain
- Adjustable Coupler
- Anti-Theft Switch
- Bright LED Lights
- Durable Powder Coat Paint
- Extra-Wide Deck
- Fenderless
- Ground-Level Loading
- Heavy-Duty Diamond Deck
- Heavy-Duty Enclosure w/ Galvanized Z-Bar Studs
- Non-Tilting Deck
- Remote Control
- Rubber or Air Suspension
- Swing-Arm Axles
