Description

This is the one! This is the car everybody asks me to find. When they say they need a reliable economical vehicle that won't have problems!!! This is it. First off, it's a KIA so we know it's loaded with all kinds of tech Bluetooth hands free phone thingies. Next, it's a KIA, so it has a great warranty, how great? We just had the entire engine replaced under warranty and it does not even have 500 miles on it. Next, it's got a fresh set of tires, and it's super clean in and out! It's not just black, it's some kind of deep dark cherry metallic beautiful paint. Runs and drives perfectly! No issues, no check engine light, everything works as it should or better. And even better, its still under Kia's extended warranty program. Offered by dealer, Schrecks Auto, Price plus tax, no dealer fees, advertised price includes a cash discount. Clean and clear title. Temp tag and E-test guarantee.
