**Description**

# Big Tex 30SA

Single Axle Utility Trailer

Tackle any hauling job around your house or garden with confidence using the 30SA Single Axle Utility Trailer. It’s built with a strong angled frame and a professional–grade finish, making it easy for you to haul large ATVs, zero–turn mowers, and more. The 30SA gives you a reliable, affordable way to handle whatever hauling task comes your way.
With you for the long haul™

**2,000 lbs Set Back Jack**

Designed to lower the tailgate of your tow vehicle without the top of the jack damaging it.

**Optional Rear Ramp Gate**

Expand your hauling capabilities with an optional 4’ tall rear ramp gate—ideal for transporting a variety of vehicles, including golf carts, ATVs, side-by-sides, and more.

**Square Tubing Top Rail**

Offering superior resilience compared to typical angle top rails, this trailer features square tubing for increased strength and structure.

**Quick Lubricating Axle with Brake Flanges**

Steel-belted radial tires and stylish black wheels combine together with premium, industry-leading axles that offer a smooth ride that’s stylish, reliable, and easier to maintain.
