Description

Big Tex 30SA

Single Axle Utility Trailer
Tackle any hauling job around your house or garden with confidence using the 30SA Single Axle Utility Trailer. It's built with a strong angled frame and a professional–grade finish, making it easy for you to haul large ATVs, zero–turn mowers, and more. The 30SA gives you a reliable, affordable way to handle whatever hauling task comes your way.
With you for the long haul™
2,000 lbs Set Back Jack
Designed to lower the tailgate of your tow vehicle without the top of the jack damaging it.
Optional Rear Ramp Gate
Expand your hauling capabilities with an optional 4' tall rear ramp gate—ideal for transporting a variety of vehicles, including golf carts, ATVs, side-by-sides, and more.
Square Tubing Top Rail
Offering superior resilience compared to typical angle top rails, this trailer features square tubing for increased strength and structure.
Quick Lubricating Axle with Brake Flanges
Steel-belted radial tires and stylish black wheels combine together with premium, industry-leading axles that offer a smooth ride that's stylish, reliable, and easier to maintain.
