The 2026 Yamaha 222SE sets a new standard for premium performance and luxury in a 22-foot jet boat. Designed with Yamaha’s cutting-edge technology and attention to detail, this model is built for those who want the perfect combination of power, comfort, and style.

Equipped with twin 1.9L High Output Yamaha Marine Engines, the 222SE delivers smooth acceleration, precise handling, and impressive top-end performance. Inside, you'll find a spacious, family-friendly layout featuring wraparound seating, plush marine-grade upholstery, and deep storage compartments throughout.

The helm includes Yamaha's advanced Connext® touchscreen system, offering full control of navigation, system settings, and entertainment. A premium sound system, snap-in marine flooring, and a rear swim platform with transom seating make this boat ideal for watersports or relaxing on the water.

With its modern design, powerful performance, and premium amenities, the 2026 Yamaha 222SE is ready to elevate every adventure.
