Description

The 2010 Sundowner Sunlite 2+1 Horse Trailer is a well-crafted aluminum bumper pull trailer designed for horse owners who value flexibility, safety, and thoughtful features. With a 2-horse straight-load layout plus a front box stall, this model is perfect for transporting two horses with the option to use the front space for a third horse, tack, or additional gear.

? Key Features:

• 20' of stall length
• 2 straight-load stalls with a box stall in front
• Rear ramp with top doors for easy and safe loading
• Roof vents above each stall and sliding windows on the sides and escape doors
• Hydraulic Jack
• Padded walls, divider, chest bars, and butt bars
• Aluminum head divider
• Rubber floor mats
• Access: Escape doors on both sides for quick entry and exit
• Lighting: Interior lights for visibility during early morning or evening hauls

? Dressing Room:

• Equipped with:
• Bridle hooks
• Two blanket bars
• Brush box
• Offers ample space for tack and gear, making it ideal for shows or long hauls

This trailer’s versatile 2+1 setup makes it a favorite among equestrians who need flexibility—whether hauling a mare and foal, a third horse, or just extra equipment. Its durable aluminum construction ensures longevity while keeping weight manageable for towing.

Features

- Jack & Coupler Features
    - Hydraulic Jack
