SPLIT DECK TILT TRAILER

The Split Deck Tilt Trailer from CAM Superline was specifically designed for hauling skid steers and compact tractors with the easy to use tilting deck for loading and unloading your machinery. With its standard pallet fork carrier and 4' stationary deck provides convenient ways of hauling your attachments. Need an easier way to load your equipment? In combination with the optional Hydraulic Power Up and Power Down and Wireless Remote gives you the ability to load without the hassle of jumping in and out of your equipment to raise or lower your tilt deck.
