Description

*** Reliable, Rugged, Affordable Arm Beds***
Our Arm Beds offer you durability, and flexibility to move and unroll your bales with ease. The synchronized arms, paired with reinforced spinners, allow hay to unroll evenly while feeding. Large grip capacity extends from 24 to 127 inches, giving you the flexibility to lift a variety of bales or load other ranching equipment, up to 2,500 lb.
Butler Arm Beds are powerful and come with a one-year limited warranty, free from workmanship defects. You won’t find a better product on the market for your money.
Prices Excludes Installation
