Description

You've got some big stuff to haul? CornPro's got you covered. Our heaviest duty utility series, the UTH, is built with all the tough you need - even for your biggest loads. Strength comes standard isn't just a bumper sticker to us, it's how this bad boy is built.
Heavy duty 6" channel mainframe (8" channel mainframe with 7K axles) with 8" channel bulkheads and tubing frame at the height of the Bulldog, 10K lb., 4"-square jack shows you we've put in the best to haul your heaviest.

GVWR 12,000
