Description

This is the ultimate contractor trailer this one is a Cargopro so it has a limited life time warranty on it. All aluminum construction This one is 7 feet 5 inches wide and 14 feet long plus the v-nose and 82 inches tall inside. Sitting on tandem 3500# torsion axles with brakes on both axles and premium wheels. This one is a limited editions so it has the exterior powder coating package polycore exterior panel super durable it has vertical wall stud system so can make shelves like we did in the front or the Milwaukee tool box system works great plus the floor and walls have advance decking it will not rot. Plus the trailer has the roof rack system with rear roller plus the cat walk on the roof and new composite translucent roof so day light comes throw which is great. The rear doors is double doors with removable ramps so you have the best of both worlds. plus This one has a 110 power package come check out this ultimate contractor trailer
