Description

For Cab & Chassis Beds for 00-Present Fords- Dually Long Beds
Introducing NXG Truck Bodies!
For YEARS the biggest complaint with truck bodies has been the paint, That's what NXG has solved. Backed by a 2 year warranty on just the paint itself! These have a meticulous 5 stage prep process before paint is applied. Semi Gloss coat that will hold up better in the hot sun and harsh

environments!
XCoat- Multi-Stage Powder Coat System
XLight- LED Automotive grade light that also has a strobe feature!
XDeck- 1/8" Diamond Plate Deck
XHitch- 24,500lb Bumper Pull, 30,000lb Gooseneck
Coupler
XRack- Fully Integrated Headache Rack
4" Precision Cut Channel Runners
3" Roll-Formed Steel Crossmembers
Angled Fuel Neck
