## Description

This 2024 Formula Trailers 24 FT Enclosed Cargo Trailer offers straightforward, versatile hauling space for work, storage, or transport. A steel frame with screwless sides provides a durable, weather-tight build, and 7 ft of interior height gives you plenty of room to move, load, and stack cargo without feeling cramped.

Vinyl white interior walls keep the cabin clean and easy to wipe down, while the coin floor stands up to heavy foot traffic and equipment. The pop up side escape door adds convenient access without opening the full rear doors, and rear barn doors provide a wide opening for loading larger items or equipment. Overhead cabinets in the front give you dedicated, out-of-the-way storage for smaller tools and gear.

Riding on aluminum wheels, this cargo trailer is built for reliable, everyday use. With a GVWR of 9,990 lbs, it offers solid capacity for a 24 ft enclosed trailer. Originally \$22,499, it's available now at \$20,499. Contact Rock's Trailer Sales in Grove City today and reference Stock #954612 to schedule your inspection or reserve this Formula Trailers cargo trailer before it's gone.
