Description

Ready to race or haul in style, this 2026 Haulmark 28 FT Edge Race Trailer combines the Turbo II Package with a black out trim package for an eye-catching finish over a clean white body. A steel frame, 60 inch A-frame tongue, and 8K hydraulic tongue jack make setup and hookup fast, while rear bogey wheels and a 36 inch aluminum ramp extension smooth out loading and unloading. The interior is insulated and wired and braced for AC, giving you the option to add climate control down the road, with 7 ft 4 in of interior height and a wide 60x78 in double door for easy access. A black rubber coin floor and upper and lower cabinets keep the space clean and organized, and an insulated generator box provides independent power capability wherever you park.

This Edge is fully equipped for entertainment and power, featuring an AM/FM Bluetooth stereo, marine grade speakers, a subwoofer, and a complete 120/240V 50 amp wiring package. Aluminum wheels finish the build with a lighter, more durable ride. With a GVWR of 12,000 lbs and a payload capacity of 5,140 lbs, this Edge is ready to perform. Originally \$42,999, it's available now at \$41,999. Contact Rock's Trailer Sales in Grove City today and reference Stock #35397 to schedule your inspection or reserve this Haulmark Edge before it's gone.
