Description

This used 2023 E-Z Hauler 6 x 10 ft all-aluminum enclosed trailer offers a lightweight, rust-resistant build that's easy to tow with almost any vehicle. Double barn doors provide wide rear access for loading, and the side door adds a second, more convenient entry point for smaller items. The V-nose front helps reduce wind resistance, and radial tires provide a smooth ride down the road.
As a used unit, it shows normal wear consistent with its age and use, and remains a solid, ready-to-use option for cargo hauling, storage, or light equipment transport. With a 2,990 lb GVWR, this single-axle aluminum trailer in White is priced at $6,499.
