Description

This 2025 Timpco 1424 24 FT aluminum tilt equipment trailer combines an all-aluminum frame and deck with a smart tilt design, giving you a low load angle for driving equipment on and off with ease. The bed splits into an 18-foot tilt section and a 6-foot stationary deck, with a gentle 11.5-degree load angle and a 22" deck height that keeps loading straightforward for skid steers, mowers, and compact equipment. Torsion suspension and 7K axles with electric brakes on both wheels deliver a smooth, controlled tow, while the 12K tongue jack, 2 5/16" coupler, and 7-pin plug round out a trailer that's ready to hook up and go. With a 14,000 lb GVWR and 11,005 lbs of payload capacity, this aluminum tilt trailer is priced at \$18,299 MSRP with a sale price of \$17,299. Key Specs:
