Description

This 2025 Liberty 7 x 20 ft HD utility trailer is built for hauling equipment, vehicles, and heavy cargo with room to spare. The spring-assist split ramp gate gives you the flexibility to open both sides together for a full ramp or use just one side for narrower loads, and an 83-inch wide deck with a tube top rail provides a stable, secure hauling surface. Dual 5,200 lb axles with brakes on both axles and EZ lube hubs handle stopping power and routine maintenance, while radial tires smooth out the ride.

An adjustable coupler lets you fine-tune your hitch height, a 7K tongue jack makes hitching manageable, and a tire mount keeps a spare close at hand. LED lighting rounds out the build for safe towing after dark. With a 9,990 lb GVWR, this Liberty HD utility trailer in Black is priced at \$6,199.
