Description

This 2025 Bravo Trailers SCOUT 24 FT enclosed car hauler is a factory close-out unit, priced well below MSRP for a buyer looking for a well-equipped hauler at a strong value. It features a 6" steel tube frame, spread axle setup on 5,200 lb axles, and torsion suspension with electric brakes on both axles for a stable, controlled tow. Inside, a 7 ft interior height and 16" on-center floor, walls, and ceiling framing give it a solid feel, while screwless .030 sides and black out trim provide a clean exterior finish. A heavy-duty spring assist ramp door with recessed D-rings in the floor makes loading and securing cargo easy, and flow-thru side vents plus 2 LED dome lights keep the interior comfortable and visible. The V-nose front, one piece roof, and rear wing with loading lights round out the package. With a 9,990 lb GVWR and 5,918 lbs of payload capacity, this factory close-out SCOUT is priced at \$15,999 MSRP with a sale price of \$14,499.
