Description

This 2022 US Cargo 7 x 16 ft cargo trailer is built on a 6-inch I-beam frame with an undercoated finish for added protection against rust and road grime. A V-nose design improves towing efficiency, and the ramp door makes loading equipment straightforward. 3,500 lb axles with brakes on both provide dependable stopping power, while aluminum fenders add a durable, low-maintenance touch. 16-inch on-center floor framing adds structural rigidity, and LED lighting keeps you visible on the road. With a 7,000 lb GVWR, this US Cargo trailer is marked down from $8,999 to a sale price of $7,999.
