Description

This 2025 Sport Haven 18 ft aluminum car hauler offers an all-aluminum frame and wood deck combination that keeps weight down without sacrificing traction or durability. Pull-out ramps make loading a vehicle quick and simple, and dual 3,500 lb axles with electric brakes on both axles provide controlled, predictable stopping power. LED lighting rounds out the build for safe towing after dark.

An 18 ft deck gives you plenty of length for full-size vehicles or wheeled equipment, and the lightweight aluminum construction makes this trailer easier to tow than a comparable steel model. With a 7,000 lb GVWR, this Sport Haven car hauler in Aluminum is priced at \$6,999.
