Description

This 2025 Aluma 8220H tilt trailer is a lightweight, all-aluminum-wheeled option for hauling ATVs, side-by-sides, and light equipment without the extra weight of a steel trailer. A stone guard protects the front from road debris, while radial tires and a 2 5/16" coupler keep towing smooth and simple. Electric brakes provide reliable stopping power, and LED lighting keeps you visible on the road. With a 9,990 lb GVWR and 8,040 lbs of payload capacity, this tilt trailer offers a strong payload-to-weight ratio for its size. It's priced at \$14,699 MSRP with a sale price of \$13,999.
