Description

This 2025 Imperial Trailer 20 FT split deck steel tilt trailer combines a 16-foot tilt section with a 4-foot stationary section, giving you an easy loading angle for skid steers and compact equipment. The steel frame and diamond plate steel floor stand up to daily jobsite use, and heavy-duty fenders protect the tires from debris. 7K axles with electric brakes on both axles and 8-lug hubs provide dependable towing performance, while the adjustable 2 5/16" coupler can swap to a pintle ring for added versatility. A tongue toolbox and spare tire mount add everyday convenience, and rub rail with stake pockets gives you flexible tie-down options. With a 14,000 lb GVWR and 10,700 lbs of payload capacity, this Imperial split deck tilt trailer is priced at $12,699 MSRP with a sale price of $12,199.
