Description

This 2025 Sport Haven 20 ft aluminum car hauler pairs a corrosion-resistant aluminum frame with a wood deck for reliable traction when loading and securing a vehicle. Dual 3,500 lb axles with electric brakes on both axles provide confident stopping power, and pull-out ramps make loading straightforward without needing separate loading ramps. LED lighting keeps the trailer visible on the road, and the aluminum frame keeps overall weight down for easier towing.
With a full 20 ft of deck length and a 7,000 lb GVWR, this car hauler has the capacity for full-size cars, trucks, and other wheeled equipment. Finished in Aluminum, it's priced at $7,299.
Key Specs:
