Description

This 2026 Haulmark 24 FT Edge Enclosed Race Trailer comes loaded with the full black out trim package for an aggressive, race-day look, and delivers 7 ft 4 in of interior height for comfortable access to your machine. Built on a steel frame with a .040 aluminum skin, torsion suspension, and brakes on both axles, this Edge tows with confidence and stands up to regular use. Inside, the framed and wired AC prep and insulated ceiling keep the cabin comfortable, and a white aluminum ceiling liner combined with a gray track pad on the wall gives the interior a clean, finished look. A black coin floor, straight base cabinet, and bogey wheels round out the practical features, while a 12 inch aluminum extension and plate in floor for winch make loading and securing cargo simple.

Power and entertainment are covered in a big way, with a brand name stereo receiver and subwoofer, 120/240V 50A shore cord and twist connect motorbase, a 50 amp AC/DC panel with 75A converter, and multiple 120V outlets throughout. LED lighting includes 24 in 9K scene lights, flush mount ceiling lights, and round accent lights for excellent visibility day or night. With a GVWR of 12,000 lbs and a payload capacity of 5,960 lbs, this Edge is ready to perform. Priced at \$34,999, contact Rock's Trailer Sales in Grove City today and reference Stock #35433 to schedule your inspection or reserve this Haulmark Edge before it's gone.
