Description

Need an affordable, easy-to-tow utility trailer? This 2026 Sport Haven 5' x 10' aluminum trailer skips the side rail for a flush, open deck, backed by an aluminum fluted tube frame that won't rust like steel. The wood deck gives you a familiar hauling surface, and the 3-position removable ramp adapts to however you're loading. Radial tires, steel wheels, a 4-pin plug, and LED lighting round out a simple, budget-friendly build. With a 2,990 lb GVWR and 2,490 lbs of payload capacity on a 500 lb empty weight, this Sport Haven aluminum utility trailer is priced at \$2,899.
