Sales Price: $3,499.00

Description

Rust resistance matters when a utility trailer sits outside year-round, and this 2026 Sport Haven 5' x 10' all-aluminum trailer is built to handle it, with an aluminum frame, deck, and wheels throughout. A 3-position removable ramp adapts to how you're loading, whether that's driving equipment on or hand-loading from the side, and torsion suspension smooths out the ride compared to leaf springs. Radial tires, tube top rails, a 4-pin plug, and LED lighting complete a well-rounded, low-maintenance build. With a 2,990 lb GVWR and 2,530 lbs of payload capacity on a 460 lb empty weight, this Sport Haven all-aluminum utility trailer is priced at $3,499.
