Description

This 2022 Sport Haven 7 x 18 ft tandem aluminum utility trailer offers an open flatbed design that's easy to load from any angle. An aluminum frame keeps the trailer light for its size, while a wood deck at a manageable 17-inch height provides solid traction for equipment, ATVs, or general cargo. Dual 3,500 lb axles with electric brakes on both axles handle stopping duty, and 15-inch wheels round out the running gear. A 7-way truck plug ensures reliable connection to your tow vehicle, and LED lighting keeps the trailer visible on the road.

With a 7,000 lb GVWR and a spacious 18 ft deck, this Sport Haven utility trailer offers real capacity in a lightweight aluminum package. Finished in Aluminum, it's priced at \$6,199.

Key Specs:
