Description

This 2025 Formula Trailers Traverse 6 x 12 ft enclosed cargo trailer offers smooth-towing spring suspension and a spring-assist ramp door that makes loading easier. Aluminum wheels and radial tires round out the running gear, and the V-nose front and polycore sides help the trailer cut through wind while keeping overall weight down. The side door provides quick walk-in access, and a setback tongue jack simplifies hitching.

Floor-mounted D-rings give you dependable tie-down points, and a 2-inch coupler with a 4-pin plug keeps setup simple for lighter towing needs. With 6 ft 6 in of interior height and a 2,990 lb GVWR, this Formula Traverse cargo trailer is an easy tow behind most vehicles. Finished in Black, it's priced at \$5,399.
