Key Benefits

Pierced I-Beam Frame »

Strong structural integrity for the trailer to increase durability.

Cross-Trac™ Bracing »

Reinforced bracing to add additional strength and hauling power.

5? Self-Cleaning Beavertail

A grated beavertail that automatically knocks dirt and other debris off the tires of the equipment you're loading as it drives up the tail.

Universal Full-Width Ramps

Provides enhanced versatility and ease of loading, accommodating a wide range of equipment with smooth, reliable access.

Gooseneck Configuration

For less trailer sway and more stability while hauling, this model is available in a gooseneck configuration.

Side Steps »

Easy access on and off of the deck of the trailer while you're loading and unloading.
