Description

Large and Loaded! One Owner and Clean!! This Explorer has so much room inside, its hard see all the way back to the third row seats. Yet it feels surprisingly nimble and still fits in the garage. This All Wheel Drive SUV has every luxury feature you can imagine! Leather, heated seats, two large sunroofs! Poer everything! I just installed 4 brand new tires! It has the Ford Sync Hands free blue-tooth, navigation backup camera and more. If you put this SUV under the Christmas Tree you will be the hero Santa for the next 10 years.

What's even better is I am liquidating all my inventory so I can retire and move to Florida! You won't work a better anyplace! I will work with your bank to arrange finance or you can use the App Lightstream for a fast privately funded deal. I also take trades. This is a cash price with a discount applied. Financed deals may have other fees from your bank. Credit cards are 3 percent to run. I am a dealer, but I don't charge dealer fees. My price is price plus applicable tax and e-test.
