Sales Price: \$7,399.00

Description

This used 2015 PJ Trailers 102 in x 24 ft deck over equipment trailer offers a full-width, open deck with the length to haul larger equipment. An I-beam frame provides a rigid, heavy-duty foundation, and Dexter axles keep towing dependable. Spring-assist ramps make loading easier, and the dovetail design helps reduce the approach angle for wheeled equipment. Radial tires round out a smooth ride under load.

As a used unit, it shows normal wear consistent with its age and use, and remains a capable, ready-to-work trailer for hauling skid steers, tractors, and other heavy equipment. With a 102-inch wide deck and a 14,000 lb GVWR, this PJ deck over trailer in Black is priced at \$7,399.
