Description

Remove Snow, Ice, and Slush with a Sturdy Ten-Gauge Steel Manual Plow

The Pinnacle Series Front-End Loader Manual Snow Plow from Homestead Implements is designed to transform snow removal around homesteads, barns, and roads. Crafted from heavy-duty 10-gauge steel, this plow features a 6-inch replaceable and reversible AR 450 steel blade, engineered to handle the harshest winter conditions.

With its manual blade adjustment, you can easily pivot the blade 30 degrees to the left or right, offering flexibility for various snow plowing needs. Whether you're clearing driveways, pathways, or large areas, this snow plow is built for all types of snow removal tasks. Designed to fit tractors with Universal Quick-Attach (SSQA) front loaders under 55 horsepower, it provides seamless compatibility across multiple tractor models.

Key Features:

Efficient Snow Removal: Makes clearing snow, ice, and slush from your property quick and easy.

Durable Construction: Made from heavy-duty 10-gauge steel for superior strength and durability.

Replaceable Blade: Features a 6" tall replaceable and reversible AR 450 steel blade for extended use.

Adjustable Blade Angle: Manually adjust the blade 30° left or right to accommodate various plowing applications.

Universal Quick-Attach Compatibility: Affixes to tractors with Universal Quick-Attach front loaders and is suitable for tractors with less than 55 horsepower.

Spring Trip Load: The Pinnacle Series Manual Snow Plow has a spring trip load of 1,100 pounds.

Color Options: Available in five standard powder coat colors designed to match any major tractor brand.
