Description

Tailored for young riders, the CFX-2E is designed to ignite the passion for riding in the next generation. With a powerful 1.5 kW output, 10-inch spoked wheels, a low 21.7-inch seat height,

and a lightweight design at just 108 lbs., your new rider will see their riding skills soar. Equipped with hydraulic disc brakes and a magnetic safety lanyard, the CFX-2E is the perfect addition to family recreational activities.

1-YEAR FACTORY WARRANTY

The CFX-2E boasts a robust cradle steel tube frame that provides exceptional strength. Complementing this sturdy frame are alloy rims, full disc brakes, and knobby tires. Its long-travel suspension, expertly tuned for off-road riding, provides a smooth and comfortable journey, allowing riders to tackle rough paths with ease. Kid-friendly ergonomics include child friendly seat height and handlebars. Whisper-quiet operation and zero exhaust emissions contribute to an eco-friendly ride and enhance the thrill of riding.

Innovative Gear Selection System

Choose from three different acceleration power settings and cap the maximum speed to match your child´s skill level. Battery consumption, charge indicators, and selected ‘gear’ are all seamlessly integrated into one intuitive interface.

The e-throttle is specially designed for children over six, featuring a size proportional to a child´s grasp, making riding easy to operate. The default “learning” mode enhances safety, while the power can be promptly shut off in emergencies by disengaging the magnetic safety lanyard. Parents can also monitor battery life, remaining charge, and currently equipped “gear” all in one convenient LCD display.

CFX-2E Speed Modes:

Mode 1: 15 mph

Mode 2: 22 mph

Mode 3: 31 mph

Lithium-Ion Battery

The CFX-2E´s remarkable 37-mile riding range offers plenty of seat time for all-day adventures. The 48V, 24Ah lithium-ion battery charges from 0% to 100% in just 5 hours, and it´s also easily removable and swappable for convenient charging anywhere, anytime. All powered by an intelligent battery management system that keeps your ride safe and enjoyable.
