Description

2027 Rock Solid Cargo Super Sport 8.5x28 Triple Axle Race Trailer – Charcoal PolyCore

The 2027 Rock Solid Cargo Super Sport 8.5x28 Triple Axle Race Trailer is engineered for racers, motorsports teams, and enthusiasts who demand premium craftsmanship, professional-grade features, and exceptional towing performance. Finished in a sleek Charcoal .080 PolyCore exterior with a semi-screwless design and full blackout trim, this trailer delivers a bold appearance while providing the strength and durability needed to haul race cars, drag cars, show cars, UTVs, motorcycles, golf carts, and valuable equipment.

With an 8.5-foot wide body, 28-foot floor length, and an impressive 7.5-foot interior height, this Super Sport model provides outstanding interior space for your vehicle, tools, and race gear. The triple 7,000 lb torsion spread axlesprovide exceptional ride quality and towing stability, while the 4' x 8' escape door, 60-inch double side entry door, and heavy-duty rear ramp door with a steel transition flap make loading and unloading fast, safe, and efficient.

Inside, this trailer is loaded with premium amenities including a 15,000 BTU air conditioner, 7,250-watt generator with inverter, large 110V electrical package, stand-alone 12V electrical system, Bluetooth stereo, refrigerator, 9,500 lb wireless winch, overhead cabinets, closet storage, rubber coin flooring, and a fully insulated interior. Whether you're competing at the track every weekend or traveling across the country, this trailer is built to serve as a professional mobile pit station.

Rock Solid Cargo's premium construction includes an 8-inch steel tube main frame, extended triple tube tongue, rear spoiler with LED load lights, rear stabilizer jacks, rear bogie wheels, and an insulated exterior generator compartment. Every feature is designed to maximize convenience, durability, and long-term reliability for serious racers and commercial users alike.
